

Documentation Guidelines for Health Impairments

Please provide the following documentation:

- Documentation should be on letterhead, dated and signed by a qualified professional or evaluator, e.g. identifying credentials with license number(s).
- The substantial limitation in a major life activity should be described.
- Suggestions of accommodations being recommended (i.e. extra time, frequent breaks).
- Discuss any current medications and how it impacts the individual's limitations.
- Documentation should be current (e.g. within the last six months).
- Must have a diagnosis consistent with DSM/ICD.
- Description of the current functional limitations impacting the student in the academic setting.
- Description of the expected progression, prognosis or stability of the health impairment.
