

Documentation for Mobility Impairments

Georgia State University's Office of Disability Services provides academic services and accommodations for students with documented disabilities. The treating or diagnosing healthcare professional should complete this form. Disability Services will use this form to evaluate eligibility for academic accommodations, which includes 1) disability diagnosis as defined under Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADA) of 1990, as amended (ADAAA); 2) aid in the determination of appropriate services and accommodations in the academic environment.

The information provided by the health care professional will not become part of the student's educational records, but will remain in the student's confidential file in Disability Services. Upon request, this form may be released only to the student. In addition to the requested information, please attach any other information you think would be relevant to the student's academic adjustment.

After completing this form, sign it, complete the Healthcare Provider Information section on the last page and return it to the student, who will give it to the Disability Services Provider at Georgia State University.
